**CASKET & COFFIN GUIDE**

# Best in class structural integrity

## 6 POINT PROTECTION PLAN

**1 Thicker bases on coffins**  
12 mm MDF base on composite board coffins for greater peace of mind

**4 Staples**  
Coffin bases are reinforced with staples for greater protection

**2 Water based glue**  
Coffin base and sides are secured using water based glue to ensure strength

**5 Strategically placed timber blocks**  
Coffins are reinforced with at least 6 strategically placed slanted or rectangular timber blocks to ensure rigidity

**3 8 screws per coffin**  
Bases are secured with 8 screws per coffin for strength and added product integrity

**6 Handles are bolted**  
Handles are secured with bolts and T nuts. The T nuts are barbed to eliminate any rotation and to ensure a sturdy fix

ACC Higgins is committed to making best in class Medium Density Fibreboard (MDF) coffins that you can rely on. Nationally all our composite board coffins are manufactured to our 6 Point Protection Plan for enhanced structural integrity and greater peace of mind.

ACC Higgins are ISO 9001 certified
